REPLY TO  
ATTN OF: NA-30

SUBJECT: CONTINUED IMPLEMENTATION OF NAVAL REACTORS DOE DIRECTIVE  
IMPLEMENTATION BULLETIN NUMBER 462.1-116, REVISION 0

TO: Manager, Naval Reactors Laboratory Field Office

Reference: (a) Naval Reactors Implementation Bulletin 462.1-116, Rev. 0 of 7 January  
2009

DOE Order 462.1 (including the attached Contractor Requirements Document), IMPORT AND EXPORT OF CATEGORY 1 AND 2 RADIOACTIVE SOURCES AND AGGREGATED QUANTITIES, establishes policy and procedures for the import and export of Category 1 and 2 radioactive sources. The Order formalizes guidance contained in International Atomic Energy Agency (IAEA) CODEOC/2004, Code of Conduct on the Safety and Security of Radioactive Sources, and IAEA/CODEOC/IMP-EXP/2005, Guidance on the Import and Export of Radioactive Sources.

The Director, Naval Nuclear Propulsion Program has responsibility for oversight and implementation of matters within the Naval Reactors Program. Therefore, the Director, Naval Nuclear Propulsion Program shall, in accordance with the responsibilities and authorities assigned by Executive Order 12344 (statutorily prescribed by 50 USC 2406 and 2511) and to ensure consistency throughout the joint Navy/DOE organization of the Naval Nuclear Propulsion Program, implement and oversee all requirements and practices pertaining to this DOE Order for activities under the Director's cognizance.

Reference (a) implements the requirements of the Order. In July 2013, DOE approved DOE Order 462.1, Administrative Change 1. The changes to the Order are administrative and include updating references and designations of DOE offices. The changes do not impact the requirements of reference (a); therefore, reference (a) still appropriately implements the requirements of the Order.

In conformance with the responsibilities and authorities set forth above, the Naval Nuclear Propulsion Program implements the requirements of DOE Order 462.1,

Administrative Change 1 through continued use of reference (a). Conflicts arising from the implementation of this Order should be directed to this office for resolution.
